

# MARC MURAD

## CURRICULUM VITAE

<b>Highlights</b>	<ul style="list-style-type: none"><li>▪ Canadian Citizenship – Jordanian Citizenship</li><li>▪ M. Eng. Project/Construction Management.</li><li>▪ B. Sc. Architectural Engineering.</li><li>▪ Fluent in English and Arabic. Basics of French and Spanish.</li></ul>
<b>Current Address</b>	Turkey , Istanbul Cell. +90 (531) 86 7755 6
<b>Email</b>	MarcMurad@hotmail.com
<b>Experience</b>	<p><b>2016 – Present time</b>                      <b>Yeldiz Technical University</b>                      <b>Istanbul, Turkey</b> <b>Teacher of Architecture &amp; Project Management</b></p> <ul style="list-style-type: none"><li>▪ Plan the course outline and define the syllabus.</li><li>▪ Prepare teaching material, which is accessible to the students</li></ul> <p><b>2016 – Present time</b>                      <b>Okan University</b>                      <b>Istanbul, Turkey</b> <b>Finalizing my PhD Thesis</b> <b>Area of PhD Studies:</b> Research is a comparative study on change and transformation effects of both; Christianity and Islam in the Iberian and Anatolian regions in terms of Architecture in general, and interior design in specific.</p> <p><b>2015 - 2016</b>                      <b>The American University of Madaba (AUM)</b>                      <b>Amman, Jordan</b> <b>Teacher of Architecture &amp; Project Management</b></p> <ul style="list-style-type: none"><li>▪ Plan the course outline and define the syllabus.</li><li>▪ Prepare teaching material, which is accessible to the students</li></ul> <p><b>Courses Given:</b> Basic Design I &amp; II – Project Management - History of Architecture I – History of Architecture II – Introduction to Engineering software (AutoCAD 2D –3D) - Architectural Presentations Techniques</p> <p><b>2014 - 2015</b>                      <b>Okan University</b>                      <b>Istanbul, Turkey</b> <b>Teacher of Project Management and Starting my PhD Studies</b> <b>Courses Given:</b> Project Management</p> <p><b>2011–2014</b>                      <b>Middle East University (MEU)– Petra University (UOP)</b>                      <b>Amman, Jordan</b> <b>Teacher of Architecture</b></p> <ul style="list-style-type: none"><li>▪ Plan the course outline and define the syllabus.</li><li>▪ Prepare teaching material, which is accessible to the students</li></ul> <p><b>Courses Given:</b> Basic Design I &amp; II – History of Architecture I – Architectural Drawings – Introduction to Engineering software (AutoCAD 2D – AutoCAD 3D) - Architectural Techniques – Architectural Presentations.</p> <p><b>2011–2014</b>                      <b>German Jordanian University (GJU)- Petra University (UOP)</b>                      <b>Amman, Jordan</b> <b>Teacher of Project Management</b></p> <ul style="list-style-type: none"><li>▪ Plan the course outline and define the syllabus.</li><li>▪ Prepare teaching material, which is accessible to the students</li><li>▪ Organize workshops to expose students to practical real-life experiences</li><li>▪ Course is given two different ways for both Architect and civil engineering students.</li></ul>

**2010-2011** **CMCS Jordan** **Amman, Jordan**

**Business Development Manager**

- Support Management /Construction engineering and controlling services to developers, owners, consultants and contractors.
- Cover all aspects and elements of leading, successful Project/Construction Management which includes planning, scheduling, monitoring, controlling, resources allocation, risk analysis, risk management, construction process, facility management, contracts and documents control.
- Teaching & providing group training workshops for management software suites such as P6 Primavera Professional Project Management, PCM Primavera Contract Management, HD Hard Dollar and more.

**Sales and Marketing Engineer**

- Contact all kind of clients and explain to them our services and products.
- Answer inquires about products, standards and accessories available.
- Prepare quotations.
- Cost negotiation with costumers
- Represent the company at engineering and product exhibitions.

**2008-2009** **Dar Al-Handaseh** **Dubai, UAE**

**Project Coordinator – Planning and Scheduling Engineer**

- Coordinate between clients and different contractors at two projects.
- Report to both Project Managers and Resident Engineers.
- Prepare Work process charts for all DAR non-airport projects.
- Organizing, planning, and scheduling activities using Primavera Project Planner.

**2007-2008** **Kiewit Construction** **Montreal, Canada**

**Scheduler Engineer**

- Organizing, planning, and scheduling activities using Primavera Project Planner.
- Project: Kiewit-Weeks-Sandwell Partnership: Canaport LNG Jetty, St-John, NB.

**2006-2007** **Zamil Steel** **Amman, Jordan**

**Construction Manager**

- Breakdown structure for projects.
- Organizing, planning, monitoring and scheduling activities.
- Controlling the fulfillment of projects' plans, and reporting progress

**Sales and Marketing Engineer**

- Pre-engineered steel sales.
- Answer inquires about products, standards and accessories available.
- Prepare quotations.
- Cost negotiation with costumers.
- Represent the company at engineering and product exhibitions.

**2005 - 2006** **SNC-Lavalin** **Montreal, Canada**

**Cost Specialist**

- Projects' data entry, verification and analysis using PM+ software.
- Monitor total cost of projects.

**2001-2002** **Alan F. Coussa Architects** **Montreal, Canada**

**Architect Engineer**

- Participate in designing residential and commercial projects.
- Site Engineer.
- Designing and drafting 2D and 3D drawings using AutoCAD.

<p><b>Education</b></p>	<p><b>2002-2005</b> <i>Concordia University</i> <i>Montreal, Canada</i>  <b>M. Eng. Project/Construction Management</b></p> <ul style="list-style-type: none"> <li>▪ Master's project and technical report:  <i>Decision Support System For Bid/No Bid Decision Using Neural Networks</i></li> </ul> <p><b>1996-2001</b> <i>Applied Science University</i> <i>Amman, Jordan</i>  <b>B. Sc. Architectural Engineering</b></p> <ul style="list-style-type: none"> <li>▪ Graduation project: International Airport</li> </ul>
<p><b>Computer Skills and Engineering Applications</b></p>	<p><b>Primavera Professional Project Management P6 – Primavera Contract Manager PCM</b></p> <ul style="list-style-type: none"> <li>▪ Primavera is the most powerful, robust, and easy to use solution for globally prioritizing, planning, managing and executing projects, programs and portfolios.</li> <li>▪ It provides a single solution for managing projects of any size, adapts to various levels of complexities within a project, and intelligently scales to meet the needs of various roles, functions, or skill levels in your organization.</li> </ul> <p><b>PM+</b></p> <ul style="list-style-type: none"> <li>▪ PM+ is a modern and interactive in-house developed management software, composed of 11 comprehensive modules that begin with project definition where the work breakdown structure is established and end with construction, thus covering all key aspects of a project.</li> <li>▪ It has the flexibility to adapt to small and large projects and ensures that projects are delivered to clients on time and within budget.</li> </ul> <p><b>AutoCAD / Architectural Desktop</b></p> <ul style="list-style-type: none"> <li>▪ A drafting, detailing, and conceptual design software.</li> <li>▪ 2D and 3D capabilities.</li> </ul> <p><b>Other</b></p> <ul style="list-style-type: none"> <li>▪ HD Hard Dollar.</li> <li>▪ Timberline (Project Cost Estimation).</li> <li>▪ Microsoft Windows and Microsoft Office (Word-Excel-PowerPoint-Access).</li> </ul>
