## **EDUCATION**

Ph.D. in Economics 2007-2013	University of Bamberg Thesis: Beyond the Great Moderation – The Impact of Heterogeneous Expectations on Business Cycle Fluctuations
---------------------------------	--

## **ACADEMIC EMPLOYMENT**

Research Assistant 2007-2013	University of Bamberg
Lecturer 2013-2016	University of Bamberg

## **TEACHING & Advising**

### **Antalya Bilim University**

Principles of Microeconomics  
Research Methods in Economics  
Industrial Organization  
Econometrics I & II  
Open Economy Macroeconomics  
Development Economics  
Game Theory  
Mathematical Methods in Dynamic Economics  
Mathematical Economics  
Monetary Economics  
Economic Growth I

## **University of Bamberg**

Financial Market Dynamics  
Macroeconomic Dynamics  
Principles of Macroeconomics  
Speculative Bubbles and Financial Crises  
Economic Dynamics  
Current European Economic Issues  
Monetary Theory and Policies of the European Central Bank

## **RESEARCH INTERESTS**

Economic Dynamics, Heterogeneous Expectations, Bounded Rationality

## **PUBLICATIONS**
